## JULY 2021

**Gedling and District  
Indoor Bowls Club**

## GREETINGS

Hope you are all well and those of you who play outdoors are having a good season.

Just a quick update on latest developments.

Richard Herrod will continue to be used as a vaccination centre until December, but we have heard on the grapevine that some of our members are assuming that this means we will not be reopen until January 2022.

### **CAN WE PLEASE ASSURE YOU THAT THIS IS NOT THE CASE.**

Negotiations with Gedling Borough Council are well in hand for us to open at the beginning of September and planning is under way for our leagues to start as usual in the middle of September.

Issues that are being addressed include access to the bowls hall; parking for members; possible refreshment area and availability of disabled toilet. Working closely with the leader of Gedling Borough Council and the Corporate Director for Leisure there are plans in place that we are confident will mean we can reopen as planned.

At the moment the phone will not be manned as usual but members of the committee will be checking for messages on a weekly basis so if you need to contact the bowls centre, please leave a message and your number and we will get back to you as quickly as possible or contact a member of the committee direct. Alternatively, you can email [gedling.bowls@btconnect.com](mailto:gedling.bowls@btconnect.com).
